- **Authentic Content:** Includes a varied and expansive range of personal, professional, and mass media text, audio, and audio/visual types in print and online.
- **Supersite:** All activities from the print worktext are also available online with access to all program audio and video; interactive activities that flow into the teacher gradebook, easy grading options for teachers, and powerful communication tools for interpersonal and presentational practice.
- **Covers all activity types:** The worktext provides explicit skill-building and test-taking strategies for each activity type on the exam.
- **Grading tools:** Convenient options for grading include spot-checking, student-by-student, and question-by-question approaches. Plus, in-line editing tools and voice comments provide additional opportunities for targeted feedback.
- **Full-length practice exam:** Available in print and online, the program includes a complete practice exam that reflects what students will experience on test day.
- **Available with Thèmes:** Package options mean you can purchase the test prep worktext with the new edition of Thèmes (print and/or digital).

A powerful tool for language instruction

FOR TEACHERS

Time-Saving Tools

No need to spend time hunting down authentic materials...finding the perfect video...crafting scaffolded activities...creating assessments...or grading homework. We've done the heavy lifting for you. The Supersite provides everything you need to plan, prepare, teach, and assess.

Powerful Course Management

Choose what you use and how you use it. With the Supersite, you can easily shape our curriculum to fit your instructional goals and teaching preferences. Plus, you can monitor student progress, communicate securely with individual students or the entire class, and track and report on students' efforts and outcomes.

Enhanced Support

Get all the guidance you need to use the Supersite to its fullest potential—from face-to-face presentations and weekly training webinars by fellow educators, to pre-recorded videos on a variety of topics.

FOR YOUR STUDENTS

Plenty of Practice

Learning a new language takes practice. With the Supersite, students have hundreds of program-specific, thematically-based, and carefully-scaffolded practice activities right at their fingertips.

Safe Environment

With its uncluttered interface, innovative tools, and seamless textbook-technology integration, the Supersite will help you reach students and build their love of language in a safe digital space.

Engaging Media

Students use the Supersite to access a digital version of their textbook, to complete practice activities, watch videos, listen to audio, take assessments, access a range of resource tools, and more.
