

# Antología

Antología Lecturas culturales ©2021

This K-5 Spanish Literacy Program supports students at three proficiency levels and encourages them to explore the Spanish language and culture through illustrated, leveled reading selections from across the Spanish-speaking world.

**Learn more:** [learn.vistahigherlearning.com/antologia/index.html](http://learn.vistahigherlearning.com/antologia/index.html)

- Engages students with authentic readings across eight units, each divided into three stages to help differentiate instruction for heritage or dual language students.
- Features authentic Spanish-language literature and informational texts by a variety of renowned children literature authors from around the Spanish-speaking world.
- Enhances literacy instruction with comprehension questions, fluency and vocabulary work, grammar and writing conventions, and writing practice for each reading.

**An online learning environment that supports students at different proficiency levels**

## FOR TEACHERS

With integrated content, comprehensive resources, and innovative tools, Supersite provides everything you need to engage students and support language learning.
