FEATURES

New storyline video: Brand new Fotonovela storyline videos—levels 1 and 2 are shot on location in Madrid, Spain, while level 3 takes place in Oaxaca, Mexico.

Can-Dos and IPAs: Redesigned lesson openers with clearly labeled Essential Questions, Can Do Goals, and IPA contexts, as well as a cultural focus on products, practices, and perspectives.

Six-step instructional design: Descubre is built around a research-based, proven instructional design. With a focus on personalization, authenticity, cultural immersion, and the seamless integration of text and technology, language learning comes to life in ways that are meaningful for every student.

News and Cultural Updates: Access monthly links to carefully curated, authentic resources from across the Spanish-speaking world—from online newspaper articles to TV news segments. Each selection includes a scaffolded activity sequence leveled for built-in differentiation.

Technology options: This new edition of Descubre is now available with two levels of technology—Supersite and PRIME. Choose the level that works for you and your students.

Enrichment libraries: A collection of trade books to expose students to different reading proficiency levels with rich and authentic content thematically related to the basal program.

TECHNOLOGY WITH OPTIONS

No two students, teachers, or classrooms are the same. At Vista Higher Learning, we recognize this and provide technology options that work for today and can grow with you for years to come. Whether your class is 100% digital or you only use technology to access teaching tools and resources, we can provide solutions that fit any curriculum or infrastructure. With Descubre, you have two levels of technology to choose from—Supersite and PRIME.
