

启程 Journeys to Chinese Proficiency ©2025

Available for Fall 2024 classes

Designed specifically for middle and high school, 启程 Journeys to Chinese Proficiency invites the beginning-level student to explore the Chinese language and culture in an engaging, learner-friendly program. Journeys to Chinese Proficiency stresses linguistic accuracy by providing a solid grammar scope and sequence; accurate, clear, and jargon-free grammar explanations, as well as ample practice of new structures to provide students with a solid foundation.

Features

- Designed specifically for middle and high school students, **Journeys** features a modern design with authentic content, engaging video, and powerful online tools
- *Language in Action* videos shot on location in Taiwan present language and culture as students follow the adventures of a group of friends in Taipei
- Vocabulary and grammar are presented in smaller, more comprehensible chunks based on specific language tasks, designed to increase student retention
- Authentic content and video in a variety of formats, including public interest service ads, news features, mini documentaries, and vlogs that engage and are accessible to students
- A preliminary unit introduces students to Chinese characters and to pinyin to help students decode new vocabulary
- A Teacher Edition provides guidance and tips for instruction, while students get extra support with the Practice Workbook and practice handwriting with the Character Writing Workbook

Experience the **Journeys** Supersite, an unparalleled digital learning environment with integrated content, resources, and tools built exclusively to support language learning.

FOR STUDENTS

- **Plenty of practice:** Program-specific, theme-based practice activities with auto-grading and immediate feedback
- **Safe environment:** Clean interface, innovative tools, and seamless textbook-technology integration
- **Engaging media:** Episodic, character-driven videos, authentic cultural videos, and synchronous video chat activities
- **Communication tools:** Groups Chats, Partner Chats, and Video Virtual Chat Activities

FOR TEACHERS

- **Time-saving tools:** No need to spend time finding the perfect video, crafting scaffolded activities, creating assessments, or grading homework—it's all on the Supersite
- **Powerful course management:** Monitor student progress, communicate securely with individual students or the entire class, and track and report on student effort and outcomes
- **Enhanced support:** Get all the guidance you need, from presentations and training webinars, to pre-recorded videos on a variety of topics
