Descubre el español

This comprehensive elementary K–5 program makes language learning a fun cultural adventure as students join series characters, travel to twenty Spanish-speaking countries, and explore the language and cultures!

- Encourages students to explore language and culture through integrated, explicit presentation of the Five C's.
- Supports students at all language proficiency levels—from beginners to heritage speakers—and at any grade level.
- Brings language learning to life with powerful technology features and resources, including animated chats, videos, and more!

New to ¡Listos! Descubre el español

The same proven instructional approach and spiraling curriculum, now with exciting updates to Student Edition, Teacher Edition, and new 

Student Edition. Culture deep dives with hands-on projects and cultural readings expand cultural concepts presented in each unit. The new *Investiga la cultura* pages present readings and projects that link both to the theme and country location of a unit. Use them at any point during the unit as whole group, small group or individual projects.

Teacher Edition. All new teacher support in Unit Planners, Lesson Planners, and throughout lessons provide a clear instructional path, connections to learning standards, and integration of components.

New Unit Planners:

- Backwards design using eight Essential Questions as overarching goals for each of the units in Levels A through F.
- Overviews of the subthemes of each lesson.
- Targeted learning objectives for language and culture.
- Summative Performance Task options for each unit.
- Literacy and Culture cross-references to activities in the Student Edition and other *¡Listos!* components.

New Lesson Planners:

- A lesson overview with objectives, guiding questions, vocabulary, and structures that stem from the Essential Question.
- Evidence of learning with formative and summative assessment suggestions.
- Activities organized by World Readiness Standards connected to the lesson's learning objectives.
- Additional activity suggestions to expand student experience with language and allow for flexible lesson delivery.

For You

Time-saving tools

No need to spend time finding the perfect video, crafting scaffolded activities, creating assessments, or grading homework. We've done the heavy lifting for you by providing everything you need to plan, prepare, teach, and assess.

- Teacher SmartBook—easy access to Smartbook and teacher wrap instructions
- Online Assessment
- Online gradebook to track student and class progress
- Teacher Dashboard for easy class management

Powerful course management

Choose what you use and how you use it. *iListos!* is designed to accommodate any pacing schedule. Plus, you can monitor student progress, communicate securely with individual students or the entire class, and track and report on student effort and outcomes.

Enhanced support

Get all the guidance you need to use the Supersite to its fullest potential—from face-to-face presentations and weekly training webinars by fellow educators, to pre-recorded videos on a variety of topics.

For your students

Plenty of practice

With the *iListos!* Supersite, students have hundreds of program-specific, thematically based, and carefully scaffolded practice activities right at their fingertips.

Safe environment

With its uncluttered interface, innovative tools, and seamless textbook-technology integration, the Supersite will help you reach students and build their love of reading in a safe digital space.

Engaging media

From an interactive Smartbook with auto-graded activities, integrated audios and videos, and voice recording, to thematic readers with audio synchronization and vocabulary highlighting and pronunciation, the *iListos!* Supersite has it all.

- Student SmartBook
- Online Practice Book
- Online Activities
- Animated Chats
- Thematic Library eReaders and Phonics eReaders
