

## D'accord! ©2024

Langue et culture du monde francophone

Available for Fall 2023 classes

**D'accord!** is an introductory through intermediate French program with a communicative approach that focuses not only on language development, but also on francophone culture, providing students with engaging and authentic materials along the way.

## New to this edition

- Brand-new *Roman-photo* storyline videos in Levels 1, 1A/B, 2
- French language is presented in context at the start of each unit with new *Mise en scène* section, providing comprehensible input
- A new introductory unit in each level, presenting and recycling language in a functional context
- Vocabulary is more approachable and is presented and practiced in meaningful contexts
- Culture is explored through a more engaging, multimedia approach
- New *Projet* section develops students' presentational skills for real-world contexts
- Now includes a variety of resources to allow students to monitor and reflect on their own learning

## Technology with options

No two students, teachers, or classrooms are the same. At Vista Higher Learning, we recognize this and provide technology options that work for today and can grow with you for years to come. Whether your class is 100% digital or you only use technology to access teaching tools and resources, we can provide solutions that fit any curriculum or infrastructure. With **D'accord!** you have two levels of technology to choose from: Supersite and PRIME.
