

Flexibility with D'accord!

D'accord! PRIME vs. D'accord! Supersite

At Vista Higher Learning, we recognize that classrooms and districts across the country are implementing technology at varying rates. That's why we offer two levels of technology with **D'accord! Prime** or **Supersite**. The program's flexibility makes it a good fit for any curriculum or infrastructure—both today and for years to come.

For the Teacher

COMPONENT	WHAT IS IT?	PRIME	Supersite
