SENDEROS PRIME vs. SENDEROS supersite

At Vista Higher Learning, we recognize that classrooms and districts across the country are at different stages in the implementation of technology. That's why we offer two levels of technology with **Senderos: Prime** or **Supersite**. Regardless of a school's resources and readiness, **Senderos** is the perfect fit with any curriculum and infrastructure. It meets customers where they are, and will take them where they want to be.
