

Mosaik ©2026

Available for Fall 2025 classes

This multi-level German program presents meaningful themes, vocabulary, and activities relevant to middle and high school students' daily lives, providing opportunities for them to connect with German language and culture. **Mosaik** enhances language learning for today's students through powerful technology, video integrated into core lesson content, and an innovative, user-friendly design that supports students and teachers.

New to this edition

- New *Los gehts!* section presents the target language in context at the start of each unit, providing comprehensible input
- *News and Cultural Updates* provides current, real-world connections to language and culture via authentic articles and videos from the German-speaking world, and includes pre-, during-, and post-reading and viewing activities
- Vocabulary is more accessible and is introduced and practiced within meaningful contexts
- Updated IPAs with rubrics that can easily be assigned online
- More opportunities for communicative practice with Group Chat and Video Record & Submit
- A variety of resources allow students to monitor and reflect on their own learning. Communication Goals and Can-Do Statements highlight the language skills students learn in each unit
