

Moving Forward Confidently in AP[®] Spanish and French Language & Culture - Virtual Saturday Seminar

What is this workshop about?

Unpack the changes of the AP[®] Language and Culture Exam and the impact it has on your planning and instruction for the school year in a one-day workshop with Vista Higher Learning.

This workshop is built to help you confidently navigate the AP Spanish Language and Culture course and exam updates while staying grounded in strong instructional practice. Across connected topics, you will:

- Gain confidence in using your current instructional materials to meet the updated performance expectations for students;
- Understand what is and isn't changing and be able to make plans with confidence;
- Integrate exam tasks into the planning and pacing of your existing courses; and
- Experience a sample AP[®] Course Project from the student perspective, including the related AP exam tasks.

Workshop Agenda

AP[®] Planning and Pacing: Aligning Year-long Instruction with Course Revisions and Your Instructional Materials

Discuss a year-long AP pacing plan aligned to the revised framework, task types, and scoring, using Temas and Thèmes, or your existing resources as anchors.

AP[®] Task Readiness: Modeling, Scaffolding, and Planning for Success

Model and scaffold the new AP task demands in daily instruction, with practical routines, exemplars, and feedback that prepare students to perform. Attendees will have hands-on practice with Vista's new AP Spanish and French Language and Culture Exam Preparation work text.

AP[®] Course Project in Action: A Practical Approach for Implementing, Scaffolding, and Guiding Student Inquiry

Implement the AP Course Project with a yearlong scaffold—building inquiry, routines, cultural understanding, and student choice in manageable phases.

Certificates of completion will be issued and lunch will be provided.
