

Spanish AP® Exam Preparation

©2028 Edition Changes

Vista's Spanish AP® Exam Preparation: AP® Spanish Language and Culture gives students exam-identical practice that builds confidence for the AP® exam. The fourth edition delivers focused, exam-ready preparation with refreshed authentic sources, refined task types, and robust teacher support, fully aligned to the latest College Board Course and Exam guidelines and the digital testing experience.

Available for Fall 2026 classes

General Updates

- Aligned with the latest AP® Spanish Language and Culture exam changes
- Newly organized to mirror the structure of the updated AP® Spanish exam for a more intuitive teaching and learning experience
- 35–40% new authentic sources reflecting revised themes, contexts, and perspectives from the Spanish-speaking world
- Presented in a full-color format that creates a clear, engaging print and digital experience for students

Student Edition (Levels 1A, 1B, 1, 2, 3, 4, 5)

- Organized to reflect the updated exam structure, helping students build familiarity with the format
- Updated multiple-choice practice aligned to new themes, task models, skills, and question types
- New and refreshed authentic materials that support rich, relevant interpretive practice
- Expanded with new research project components and updated Conversation and Cultural Comparison practice to support the revised free-response experience
- Refreshed readings, audio, realia, infographics, and literary selections organized around the new course themes and contexts
